Falcons Host Youngstown State in Final Non-League Game of '88

The Bowling Green Falcons will take a break from Mid-American Conference action today when they play host to the Youngstown State Penguins.

Coach Moe Ankney's Falcons are hoping to launch a strong finish to the 1988 campaign with a win against Youngstown. BG enters the game with a 1-6 overall record and 1-4 in the MAC. Last week, BG lost 21-3 at Central Michigan.

Meanwhile, Youngstown State was involved in a wild 41-39 decision over visiting Towson State, last week. That lifted the Division I-AA Penguins to 2-4 overall.

BOWLING GREEN COACH MOE ANKNEY: Moe Ankney (BGSU '64) is in his third season as BG head coach. Ankney has guided BG to an 11-18 overall record and an 11-10 mark in the MAC.

— BG —

YOUNGSTOWN ST. COACH JIM TRESSSEL: Jim Tressel (Baldwin-Wallace '75) is in his third season as head coach at YSU. Tressel has an 12-17 overall record with the Penguins.

— BG —

THE SERIES: Bowling Green holds a 3-2 lead in the series with YSU. BG beat Youngstown in 1950-51-52. Since then, Youngstown has posted wins in 1953 and again in 1987. The Penguins edged BG 20-17 at Perry Field last season on a last-second field goal by John Dowling. YSU's Lorenzo Davis and BG's Mike Otten matched first half touchdowns, before the Penguins scored on a Trenton Lykes TD run and a Dowling field goal. The Falcons rallied on Mike McGee's 15-yard TD run and a Jason Zeller field goal. Dowling broke the tie with his game-winning kick.

HEAD COACH MOE ANKNEY

Now in his third year as head football coach at Bowling Green State University, Howard M. (Moe) Ankney believes in Falcon football, its past, present and future.

"Bowling Green football is strong, and Bowling Green football is respected across the country," Ankney says. "When our players put on the Bowling Green uniform, they are eager to go out and uphold that winning tradition."

Hanging on his Doyt L. Perry Field office wall is a framed list of five objectives. Meet these goals, Ankney tells his players, and Bowling Green will maintain its reputation as the winningest Mid-American Conference football program of the 1980s.

—BOWLING GREEN FOOTBALL GOALS—

1. Each player earn a college degree.
2. Continue the winning tradition
3. Beat Toledo
4. Win the California Bowl
5. Each player become the best that he can be as a student, as an athlete and as a person.

Appointed as the University's 13th head football coach on December 30, 1985, Ankney has coached the Falcons to two successive second-place finishes in the Mid-American Conference. His teams have compiled a 10-6 record in MAC play the last two seasons. Each year, the Falcons have finished just one game shy of first place and a trip to the California Bowl.

Ankney has a 10-12 record overall at BGSU, a record that reflects the challenging non-conference schedule Bowling Green has played the last two seasons. In 1986, the Falcons visited Minnesota and Washington. In 1987, BGSU visited Penn State and Arizona.

The 1988 season promises to be equally difficult for Ankney and his staff.

Besides eight games in the competitive MAC, the Falcons visit West Virginia, a 1987 Sun Bowl participant, and Texas Christian, out of the Southwest Conference. BG will host Youngstown State.

Ankney, a 1964 BGSU graduate, returned to his alma mater after serving six seasons as the assistant head coach, defensive coordinator and secondary coach at the University of Arizona of the Pacific - 10 Conference. In leaving Arizona, he left a long-time coaching associate and friend, Arizona Head Coach Larry Smith. Like Ankney, Smith is a Bowling Green graduate, and the two coached together for 10 seasons.

Prior to joining the Arizona staff in 1980, Ankney was Smith's defensive coordinator and secondary coach at Tulane for four seasons between 1976-79. And before that, he was the

secondary coach at Ball State from 1971-75 under the late Dave McClain. In all, he has spent 16 seasons coaching football at the collegiate level.

At each stop, Ankney was instrumental in helping to rebuild struggling programs. While at Ball State, the Cardinals improved their record from 4-5-1 in 1971 to 9-2 in 1975. At Tulane, Ankney helped the Green Wave from a 2-9 record in 1976 to a 9-2 mark and a berth in the Liberty Bowl in 1979. The Arizona Wildcats were 5-6 in 1980 and improved their record to 8-3-1 in 1985, including a 13-13 tie with Georgia in the Sun Bowl. His Arizona defensive units finished among the nation's statistical leaders from 1982-85.

Among his former players now in the National Football League are Denver Broncos' linebacker Ricky Hunley and Cleveland Browns' defensive back Al Gross. More than 20 of his former players have gone on to careers in professional football.

Ankney entered the coaching profession at the high school level. He was an assistant football and wrestling coach at Eaton High School for the 1964-65 seasons and then became head coach at Dayton Northridge in 1966. He moved on to Dayton Wayne High School as head coach in football and tennis in 1967 and stayed until 1971 when he joined the Ball State staff. His five-year head coaching record in the high school ranks stands at 24-21-5. While coaching in the Dayton area, Ankney earned his master's degree from Miami University in 1969.

Ankney, 46, a native Ohioan, grew up in Xenia before moving to Kettering as a high school senior. A 1960 Fairmont High School graduate, he was an all-state quarterback and a participant in the Ohio All-Star game.

While a student at BGSU, Ankney played on two MAC Championship teams as a reserve quarterback and lettered twice under legendary Coach Doyt Perry. The Falcons went 23-5-1 from 1961-63.

While an undergraduate, Ankney earned election to Omicron Delta Kappa, a leadership honorary, Phi Alpha Theta, a history honorary, and Kappa Delta Pi, an education honorary.

Reared in a football family, his uncle Pete was his head coach at Fairmont High School. Pete Ankney was also a head coach at Canton McKinley High School and at the University of Dayton. Moe's father, Ben, coached at Miami University and at Xenia High School.

Moe and his wife, Carlalee, are the parents of three children: Angela, 25, Andy, 23 and Molly, 20. Howard Milton Ankney was born June 23, 1942.

ASSISTANT COACHES

1988 BGSU FOOTBALL COACHES — Seated (l-r): Bob Wolfe (defensive coordinator, inside linebackers), Moe Ankney (head coach), Reggie Oliver (offensive backfield). Standing: Mark Miller (offensive coordinator, quarterbacks, receivers), Mike Mangili (defensive backs), Terry Malone (offensive tackles and tight ends), Andy Garver (defensive line), Bob Reublin (assistant head coach, offensive line), Kurt Humes (outside linebackers).

ANDY GARVER

Andy Garver, 30, is in his third year as a defensive line coach at Bowling Green. He serves as recruiting coordinator, while supervising the special teams. He recruits Northwest Ohio and the west coast of Florida, and the Chicago area junior colleges. Garver, a 1980 graduate of Tulane University, has formerly coached at Jesuit High School in New Orleans, LA, Tulane University, the University of Arizona, and the University of Notre Dame. Andy and his wife, Terri, are the parents of Allison, 3, and Kevin, 1.

KURT HUMES

Kurt Humes, 33, is in his second year as a member of the Bowling Green coaching staff. Humes recruits the Dayton area and Indiana, while supervising the team's fields, equipment, supplies and facilities. Humes, a 1976 graduate of Ball State University, is a former graduate assistant coach at Bowling Green in 1976. He has also coached at Ball State, Miami University and the University of Wisconsin. Kurt and his wife, Pam, a 1977 BGSU graduate, are the parents of Tanner, 9, Jessica, 6, and Rachel, 4.

TERRY MALONE

Terry Malone, 28, is responsible for the tight ends and tackles on the offensive line. Now in his third year under Head Coach Moe Ankney, Malone is in charge of scouting and breaking down game films. He also serves as Bowling Green's strength coach and recruits the Detroit suburbs and the Cincinnati area. Malone, a 1983 graduate of Holy Cross College, formerly coached at the University of Arizona and Holy Cross. Terry and his new wife, Ann, reside in Bowling Green.

MIKE MANGILI

Mike Mangili, 34, is in his third year as an assistant coach at Bowling Green. For the last two seasons, he has coached the defensive backs. He was in charge of the outside linebackers in 1986. Mangili is in charge of player relations under Head Coach Moe Ankney and recruits the Columbus area. A 1978 graduate of California State-Sacramento, he formerly coached at Amos Alonzo Stagg High School in Stockton, CA, and at the University of Arizona. Mike and his wife, Lauren, are expecting their first child this fall.

MARK MILLER

Now in his sixth season as an assistant coach at Bowling Green, Mark Miller, 31, serves as offensive coordinator, while also coaching quarterbacks and receivers. He recruits the Akron-Canton area and serves as the team's academic supervisor in cooperation with Dr. Pat Cleveland, director of academic affairs for the BGSU athletic department. Mark, a 1978 BGSU graduate, and his wife, Barb, a former BGSU cheerleader, are the parents of Zachary, 7, Adam, 4, and infant son Kyle.

REGGIE OLIVER

Reggie Oliver, 36, is in his fifth season as the offensive backfield coach at Bowling Green. He also supervises relations with professional scouts and recruits the Michigan cities of Detroit and Flint. A 1975 graduate of Marshall University, Oliver formerly coached at Huntington High School in West Virginia and at Marshall University. He played professional football with the Jacksonville Sharks of the World Football League in 1974, before earning a try-out with the Dallas Cowboys.

BOB REUBLIN

Bob Reublin, 49, is in his third season as Bowling Green's assistant head coach and offensive line coach. Reublin handles numerous administrative duties and takes the place of Coach Moe Ankney when Ankney is involved elsewhere. Reublin recruits north central Ohio and Cleveland. A 1961 BGSU graduate, he served as a graduate assistant coach at BGSU for one year. He later coached at Sandusky High School, Miami University, and the University of Colorado. Bob and his wife, Mary Lou, are the parents of Susie, 26, twins Nancy and Patsy, 25, and Cathy, 23.

BOB WOLFE

Bob Wolfe, 41, is in his third season as inside linebackers coach and his second season as defensive coordinator at BGSU. A 1969 graduate of the University, Wolfe recruits Northeast Ohio, including Cleveland's east side, and the cities of Youngstown and Warren. He also coordinates the team's "Incentive, Motivation and Pride" program. Wolfe has coached at Ball State, Washington & Jefferson, Youngstown State and Allegheny College. Bob and his wife, Karen, a 1970 BGSU graduate, are the parents of Eric, 18, Kevin, 13, and Christine, 9.

GRADUATE & STUDENT ASSISTANTS

ANDY DENGLER

Andy Dengler begins his first year as a graduate assistant football coach at Bowling Green State University.

Dengler, who celebrated his 25th birthday on September 10, comes to BGSU after three years of coaching at the high school level. He was an assistant coach at Circleville High School in Circleville, OH, for the last two years. Before that, he was an assistant coach for one year at Hopewell-Loudon High School near Tiffin, OH.

Dengler, a native of Circleville, is a graduate of Heidelberg College in Tiffin, OH. While at Heidelberg, he lettered two years as an offensive and defensive lineman on the football team. Before that, he lettered as an offensive and defensive lineman at Circleville High School.

Andy has a wife, April.

STEVE FEYRER

Steve Feyrer is in his second year as a graduate assistant coach at Bowling Green State University.

Feyrer, who turned 24 on August 25, coached high school track in Milwaukee, WI, and Wauwatosa, WI, for two years before coming to BGSU. He is a 1986 graduate of Ripon College in Ripon, WI, and holds a bachelor's degree in physical education.

He was a four-time letterman in football and a three-year letterman in track at Ripon. He earned All-America honors as a wide receiver and was named all-conference three times. Feyrer owns Ripon's single game receiving record and is the school's all-time leading receiver.

Feyrer earned all-conference honors in track and set school records in the long jump, the 400, 800 and 1600 meters, and the sprint medley relay.

TODD FITCH

Todd Fitch is in his first year as a graduate assistant football coach at Bowling Green State University.

Fitch, 24, has served as an assistant football coach at Ohio Wesleyan University, his alma mater, the last two years. He also worked as an Ohio State University football camp counselor for two summers.

Fitch was an All-North Coast Athletic Conference defensive back while attending Ohio Wesleyan in Delaware, OH. He lettered three times in football. He later earned his bachelor's degree in journalism from OWU.

Before that, he was a three-sport letterman (football, basketball and track) at Bellaire High School in Bellaire, OH.

Todd is single.

GREG STUDRAWA

Greg Studrawa makes the transition from player to coach this year at Bowling Green State University. A two-year letterman on the offensive line for the Falcons in 1986 and 1987, Studrawa will serve as a student-assistant under Coach Moe Ankney in 1988.

Studrawa, who turns 24 on November 3, was a walk-on to the Falcon football team out of Fostoria St. Wendelin High School. He gained a starting role on the offensive line in his junior and senior seasons. He was also a member of the 1985 MAC Championship team that went to the California Bowl.

Studrawa was a football and basketball letterman at St. Wendelin High School and played on the 1983 football team that finished as the Ohio Class A runner-up. He is the son of Dennis and Irene Studrawa. His father has coached football for more than 20 years.

University Attracts Record Number of Scholars

by CLIF BOUTELLE
Director of Public Relations

As sought after as blue chip athletes, National Merit scholars are proof that high school students who "hit the books" can reap dividends. Virtually every finalist and semifinalist, considered the cream of the nation's high school academic crop, are offered scholarships.

Each year the National Merit Scholarship Corporation with headquarters in Evanston, IL, rigorously tests more than one million students. From that group are named about 15,000 finalists and semifinalists who become the target of college and university recruiters from all over the country.

And Bowling Green is among the most successful recruiters of academic talent. Fifty-three freshmen National Merit scholars, the largest number in University history and more than double the goal set a year ago, have enrolled this fall. That figure places Bowling Green among the nation's top 75 universities in the country.

A year ago, President Paul Olscamp set a goal to enroll as freshmen 20 National Merit scholar finalists and 10 semifinalists, an ambitious target considering Bowling Green's total number of National Merit scholars in all classes this past year was only 25. The final total — 38 finalists and 15 semifinalists — far exceeded Olscamp's expectation.

The effort was directed by John W. Martin, director of admissions, but involved more than the admissions staff. "This was an effort by a lot of people, including alumni, and that's why we were successful." As part of the recruiting strategy, alumni were enlisted to promote Bowling Green's merits to the prospects over dinner or lunch. Larry

The Business Administration Building offers one of many computer labs open to all BGSU students.

"Dr. Olscamp has made the commitment that Bowling Green should attract the top high school students, and we are doing that."

—John Martin
Director of Admissions

Weiss, associate vice president and director of alumni affairs, said nearly 40 alumni from Ohio and other states met with the National Merit students.

In addition, current students made phone calls to the National Merit scholars, who also met with Olscamp, faculty and other top

University officials during campus visits.

Another major inducement is that National Merit finalists attending Bowling Green receive the equivalent of four-year full fees scholarships and semifinalists are awarded scholarships that pay instructional and general fees. The students have to maintain a 3.0 grade point average their freshman year, a 3.25 their sophomore year and a 3.5 their junior year to keep the scholarships.

Martin said the large number of National Merit scholarship winners enrolled at Bowling Green this fall attests to the University's efforts to improve academic quality. "Dr. Olscamp has made the commitment that Bowling Green should attract the top high school students, and we are doing that."

Apply for the Marathon Credit Card

0.0% explained Buy an oil change, a set of tires or repairs with the Marathon credit card. Take up to six months to pay with no finance charge—you pay the same as the cash price.

Suppose you bought a set of tires costing \$300.00 in March and charged them on your credit card. Your account is billed the first day of each month and you pay \$50.00 by the 15th of each month in six equal installments. The difference between the Marathon credit card and another credit card which has an annual percentage rate (APR) of 18% and a monthly finance charge of 1.5% applied on an average daily balance is:

	Marathon Credit Card 0.0% Interest	Any Credit Card with 18% APR/1.5% Monthly Finance Charge
Total Finance Charges	\$0.00	\$14.02

Apply for the Marathon credit card at any Marathon service station. Use interest free installment buying for large purchases, excluding fuel, when each payment is made on time.

MAC in rushing. BG enters the Youngstown game averaging 229.0 yards passing and just 76.7 yards rushing. QB ERIC SMITH, the MAC Player of the Week against Ohio University, completed 20-of-35 tosses for 195 yards last week at Central Michigan. TE KYLE HOCKMAN was Smith's favorite target, catching six passes for 64 yards. SE REGGIE THORNTON and FL RON HEARD combined for nine catches and 109 yards in the CMU game. BG netted just 23 yards rushing against the Chippewas, partly due to five quarterback sacks for -39 yards. MIKE MCGEE rushed 13 times for 42 yards to lead the Falcon runningbacks. BG's only points last week came from PK JASON ZELLER, who kicked a 48-yard field goal to close the third quarter. It was Zeller's longest field goal as a Falcon.

— BG —

BOWLING GREEN DEFENSE: After yielding 105 points in their first 11 quarters of MAC football this season, the Falcons have tightened things up and given up only 21 points in the last nine quarters. This despite the fact that BG has been ravaged by injuries. FS KYLE KRAMER led BG with 16 tackles at CMU, while DT DAVE KINZIE, ILB DAL MCDONALD, and SS TERRY WILSON contributed 14 tackles apiece. CB TONY MCCORVEY picked off a CMU pass, raising his team-leading season total to five.

— BG —

YOUNGSTOWN ST. OFFENSE: The 2-4 Penguins feature a balanced offensive attack, having rushed for 983 yards and passed for 878 in their first six games. TB

Lorenzo Davis rushed for 133 yards last week vs. Towson State and now leads the Penguins with 415 yards and five TDs rushing. Miami (FL) transfer J. C. Penny, another tailback, has 313 yards for three TDs. Chris Gamble (72-of-119 passing for 685 yards and one TD) or Frank Edie (18-of-36 for 196 yards) will start at quarterback. YSU's top receivers are TE David McIntosh (19 catches, 192 yards, one TD), TB Lorenzo Davis (16, 163) and SE Maury Bibent (15, 189).

— BG —

YOUNGSTOWN STATE DEFENSE: When you consider YSU's defense, you start with LB Paul Soltis, a second team Division I-AA AP all-American last year. Soltis is far and away the leading tackler for the Penguins with 60 solos and 108 total tackle participations. Soltis, a 1986 transfer from Ohio State, led YSU with 12 tackles in last year's game at Bowling Green. LB Al Blythe is next on Youngstown's tackle charts with 45 stops, including 25 solos.

— BG —

JUST YARDS AWAY: With four games plus another season in front of them, Bowling Green wide-outs RON HEARD and REGGIE THORNTON both can crack BG's top five in career receiving yards this week against Youngstown. Mark Dowdell (1981-84) stands fifth on the list right now with 1422 yards. Heard is right behind at 1421 yards. Thornton isn't far away, either, with 1408 yards.

— BG —

JUST FOR KICKS: BG PK JASON ZELLER and CRIS SHALE both walked off the field last

week having made some big contributions. Zeller booted a 48-yard field goal for BG's only points at the end of the third quarter. It was Zeller's longest field goal as a Falcon and it tied for third longest in BG history. Shale, the MAC's leading punter with a 42.8-yard average, got off eight punts for a 45.0-yard average, including one for 52 yards into the wind. Shale's average ranks among the top 15 in Division I this week.

— BG —

MCCORVEY HAS MAGIC TOUCH: TONY MCCORVEY'S third-quarter pass interception at Central Michigan was his fifth pass interception of the season. It was also his fourth pass interception in the last three games. He had one at Western Michigan and two against Ohio University. He now has 10 career pass interceptions, one short of BG's top five career pass interception leaders.

— BG —

FALCON FOOTNOTES: BG is out to snap an eight-game losing streak in non-league games. BG's last non-league win was over Akron in 1985. . . The Falcons have gone 10 quarters without losing a fumble. BG didn't lose a fumble against either Ohio University or Central Michigan. . . REGGIE THORNTON'S 137.1 all-purpose yard average ranks among the top 25 nationally. . . DT DAVE KINZIE was BG's Defensive Player of the Week for the second time in three weeks. TE KYLE HOCKMAN and PK JASON ZELLER were recognized on offense and special teams, respectively.

VARSITY BG CLUB SAYS GO FALCONS!

ABOUT THE VARSITY BG CLUB

The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of \$10 per year can help operate the club and support BGSU athletics at the same time. Almost 500 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for \$100; no other dues will ever be required. Lifetime memberships for those 65 and older are only \$50.

The Varsity BG Club undertakes three major projects each year, the first of which is the spring Recognition Reception honoring the College Coach of the Year, the High School Coach of the Year, and the Special Recognition Award Winner. Then in July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. More information will be forthcoming. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It's a great day to return to campus and visit with former classmates and teammates.

We're looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

MEMBERSHIP BENEFITS

All active members of the Varsity BG Club will receive:

- Membership in an exclusive organization open only to BGSU varsity letterwinners.
- A list of special activities and programs, such as the ones described above.
- Subscription to the quarterly newsletter.

FALCONS' NEST OF COACHES

Moe Ankney

Bill Mallory

Don Nehlen

Larry Smith

Denny Stolz

Their names are familiar. Together, they dot the nation as football coaches at all levels of the game—high school, college, and professional football.

They belong to the Falcons' Nest of Coaches, an organization created in 1984 to promote the proud tradition of Bowling Green Falcon football. Through the development of student and graduate-assistant programs at Bowling Green, most of these coaches got their start at this Mid-American Conference institution. They've studied and matured under the coaching philosophies of Warren Steller, Doyt Perry, Bob Gibson, Don Nehlen, Denny Stolz and Moe Ankney, to name a few. Today, they are making a name for themselves and for their respective football programs around the country. Though they may be miles apart, they share at least one thing in common. They are members of a fine football coaching fraternity at Bowling Green, the Falcons' Nest of Coaches.

DOYT PERRY HALL OF FAME DINNER — OCT. 29, 1988

Call 372-2401 For Details

Doyt Perry

Doyt Perry To Be Inducted Into College Football Hall of Fame

The year 1988 will be fondly remembered by Doyt Perry, the former player, coach and administrator at Bowling Green State University.

Last January, he learned that he would be a 1988 inductee into the National Football Foundation's College Football Hall of Fame. In May, he was in Toledo, OH, for his induction into the Mid-American Conference Hall of Fame.

This fall, when the Bowling Green Falcons host Miami in an October 29 football game at Doyt L. Perry Field, the man in whose honor the stadium was named will be there for a special on-campus presentation by the National Football Foundation.

Then, on December 6, Perry will be in New York for the Foundation's Hall of Fame Dinner. Perry will be officially enshrined into the College Football Hall of Fame at Kings Island, OH, in the spring of 1989.

Perry's association with BGSU dates back almost 60 years when, as a student, he lettered nine times in three sports (football, basketball and baseball). The Croton, OH,

native received his degree in 1932 and then began coaching on the high school level before becoming an assistant football coach at Ohio State University in 1951.

Perry returned to his alma mater as head football coach in 1955. Over the next 10 years, he led the Falcons to a 77-11-5 record for a winning percentage of .855, topped only by Knute Rockne and Frank Leahy. His teams won five MAC Championships and the national college division championship in 1959.

Perry, who retired from coaching in 1964 to become BGSU's athletic director for six years, developed such outstanding coaches as Jim Young of Army, Bill Mallory of Indiana, Don Nehlen of West Virginia, Larry Smith of Southern California, the late Dave McClain of Wisconsin and Bowling Green's own Moe Ankney.

Ironically, Perry will enter the College Football Hall of Fame with another Bowling Green graduate, the late Jack Mollenkopf '31. Mollenkopf coached the Purdue Boilermakers to a record of 84-39-3 in 23 seasons.

THE MID-AMERICAN CONFERENCE

Bowling Green State University became a member of the Mid-American Conference in May of 1952. That was 36 years ago, and in the interim, the Falcons have won eight MAC football titles, two of those coming in 1980s (1982 and 1985).

Entering the 1988 season, the Falcons led the MAC with the best league record (51-19-1) in the 1980s. In fact, Bowling Green has finished either first or second in the MAC standings six years in a row.

The MAC consists of nine state-supported institutions in the Midwest. Located in the states of Ohio, Michigan and Indiana, the MAC schools have enrollments that range from 14,000 to 26,000.

Founded as a five-team conference in 1946, the MAC expanded to 10 schools in the early 1970s. With Northern Illinois' withdrawal in 1986, the nine current members are Ball State, Bowling Green, Central Michigan, Eastern Michigan, Kent State, Miami, Ohio, Toledo and Western Michigan.

A competitive league, balanced programs, a commitment to the NCAA Division 1 level, an excellent academic reputation and a tradition of athletic success are all appropriate descriptions of the MAC and the institutions

Troy Dawson celebrates 1985 MAC Football Championship.

which comprise it.

One of the nine Division 1-A conferences in the country along with the Big West, ACC, Big 8, Big 10, Southwest, Southeast, WAC and PAC 10, the MAC is as balanced and competitive as any other.

While playing competitive Division 1 schedules, MAC institutions have maintained their high ethical and academic standards. No MAC team has ever been put on NCAA probation for rules violations, nor has any MAC team ever been seriously investigated for rules infractions. A total of 53 MAC student-athletes have earned Academic All-

American recognition in the last four years. Bowling Green has proudly contributed seven Academic All-Americans to the MAC's total in the last two years, alone.

In the 42-year history of the conference, many MAC teams and athletes have received national recognition. In football, Bowling Green was recognized as the national college division champion in 1959, and Ohio won similar honors in 1960. After the MAC joined the list of Division 1 institutions, Toledo compiled a 35-game winning streak from 1969-71, and Miami beat Florida, Georgia and South Carolina in the 1973-74-75 Tangerine Bowls. This year, the MAC enters its eighth year of an agreement that matches the MAC Champion against the champion of the Big West (formerly known as the PCAA) in the California Bowl.

The MAC currently sponsors 18 championships. In men's sports, the MAC has championships in football, cross country, basketball, swimming and diving, wrestling, baseball, tennis, golf and outdoor track and field. The nine MAC women's championships are volleyball, cross country, field hockey, basketball, swimming and diving, gymnastics, softball, tennis and outdoor track and field.

Ohio Governor Richard Celeste chats with Falcon Clubbers at pre-game tent party.

THE FALCON CLUB NEEDS YOU!

To All Falcon Fans:

You are the key to success for our Falcon teams! The BGSU Athletic Department depends on the Falcon Club to raise more than \$242,000 in 1988. This money will help fund athletic grants-in-aid, assist in the recruiting of prospective student-athletes, and provide funding for athletic facilities budgets.

Members of the Falcon Club are alumni, parents, friends and fans who provide financial support, volunteer hours and advisory expertise to the BGSU athletic program and share in the many benefits the Falcon Club has to offer.

The Falcon Club has ambitious goals for 1988 and is eager to involve YOU in our activities. The need to support our program is at an all time high. Your financial contribution and BGSU's athletic program are a winning combination.

We are very proud that Bowling Green's athletic program, both men and women, is recognized as one of the best in the country. All of our 19 teams are highly competitive and very representative. Falcon Club membership offers you the opportunity to support these teams. Falcon Club donations have greatly aided our program, and to continue that winning tradition throughout the 1988-89 campaign will require another supreme Falcon Club effort.

I look forward to having you join the Falcon Club in 1988!

Sincerely,

Charles F. Nagle
Assistant Athletic Director/Development

I am interested in learning more about the Falcon Club and its activities.

Ham it up more often.

**Dinner Bell ham is the
 all day meat.**

Ham is about the only meat that ap-
 pears regularly on breakfast, lunch
 and dinner menus. And ham is a
 favorite for picnics and snacks,
 too. So it's a good idea to
 keep it on hand. Make it
 Dinner Bell ham. Less
 waste. Easy to slice.
 And you get a lot for
 your money, so you
 can afford to be gener-
 ous. That's important,
 because once your
 family gets a taste of
 Dinner Bell's gentle
 smoked flavor, they'll
 ham it up more often.

BOWLING GREEN STATE UNIVERSITY

An aerial view of the Bowling Green State University campus.

Bowling Green State University offers a range of educational opportunities expected in a large university, yet retains the personalized small-school atmosphere of its early years.

When Bowling Green Normal School opened its doors in 1914, there were 15 faculty members and all 158 students were studying to be teachers. Today the University has nearly 720 full-time and 200 part-time faculty and 17,300 students on its main campus. Degree programs are offered through the College of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology, and the Graduate College. Within the undergraduate colleges are Schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

The University offers more than 170 undergraduate degree programs, 75 master's degree programs and has 14 departments granting doctoral degrees in more than 44 specialty areas.

In addition to courses on the main campus, the University's Firelands College campus, located in Huron, Ohio, offers 17 two-year associate degree programs, as well as courses which fulfill the first two years of a bachelor's degree requirement. Firelands College enrolls about 1,200 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national

academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty members, 82 percent of whom hold the highest degree in their fields, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized, including the chemistry department which hosts an Ohio Eminent Scholar in Photochemical Sciences. The Ohio Eminent Scholar program was created by the Ohio Board of Regents to attract world class scholars to the state's universities.

Committed to teaching, faculty are scholars as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the Center for the Study of Popular Culture, and the Social Philosophy and Policy Center. Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center—the largest scientific facilities of their kind in the world—where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from throughout the United States and nearly

60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. During the spring term of the 1987-88 academic year, there were more than 2,700 "non-traditional" adult students enrolled in undergraduate and graduate degree programs on a full- or part-time basis.

The focal point of the 1,250-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.5 million volumes plus thousands of journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections which houses materials relevant to northwest Ohio history and the Sound Recording Archives with 400,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually refurbishing its more than 100 existing buildings and upgrading facilities to meet current needs. An example is the recently completed \$3.65 million addition to the Business Administration Building. Currently, Williams Hall, home to the history, sociology and political science departments, is undergoing major renovation as is Overman Hall, which houses chemistry, physics and astronomy and geology programs. Also, numerous computer facilities have been installed and upgraded throughout campus.

President Paul J. Olscamp

When Dr. Paul J. Olscamp became Bowling Green State University's eighth president in 1982, he charted a course that would move Bowling Green into the ranks of the country's most important educational resources. The effort, he said, would be an unrelenting commitment to excellence in teaching, research and service at the University. Indeed, he adopted the slogan "An Environment for Excellence" to describe his hopes for Bowling Green.

Since then, everything the energetic Olscamp has done at Bowling Green has been aimed at fulfilling that vision. Early in his administration, Olscamp and the faculty outlined the task to be done in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of undergraduate and graduate students, the academic programs, the learning environment and the faculty and its resources.

Now, as Olscamp begins his seventh year at Bowling Green, many of the Role and Mission Statement's original goals have been met. Last year, the

Paul J. Olscamp
The University's eighth president

Faculty Senate's Committee on Academic Affairs reviewed the goals and assigned new priorities, including the recruitment of minority faculty and students and greater emphasis upon research production.

More than any other president in Bowling Green's history, Olscamp has sought to more fully involve the faculty in University governance. Faculty have been involved in developing the University's academic charter. Before the change, only the president had that power. He has also given the faculty greater control over the curriculum and development of new academic programs.

The Bowling Green president worked tirelessly with state government officials and legislators in Columbus on behalf of Bowling Green and higher education. He has testified about the needs of higher education before legislative committees and has been a leading spokesperson for improved operating and capital budgets for the state's colleges and universities.

Highlighting The Olscamp Administration

A great deal has happened at Bowling Green since Dr. Olscamp arrived on campus seven years ago. Some of the accomplishments include:

Academic Programs

- *Creation of Bowling Green's first endowment professorships, one in management and the other in finance.

- *Appointment of an Ohio Eminent Scholar in Photochemical Sciences, the result of a \$500,000 grant from the Ohio Board of Regents. The Eminent Scholar Program is designed to attract world class scholars to Ohio. Dr. Michael A. J. Rodgers, one of the country's foremost photochemical scientists, is Bowling Green's Eminent Scholar.

- *Addition of doctoral programs in applied philosophy and photochemical sciences; the 13th and 14th Ph.D. offerings at Bowling Green.

- *Increasing the number of National Merit Scholarship winners entering Bowling Green to 41 finalists and 23 semifinalists, the most ever in University history and more than doubling the goal set in 1987.

- *Establishing the University's first major scholarships for minority students.

- *A network of microcomputer labs throughout the campus, including labs in each residence hall, as part of an effort for all students to have a background in computer usage by the time they graduate.

- *Increasing library holdings to more than four million books, journals, periodicals, microforms, government documents and other materials.

Physical Plant

- *Nearly \$48 million in state capital improvement funds for renovation and new construction projects.

- *Completion of \$7.2 million Physical Sciences Laboratory Building in 1984.

- *A \$3.65 million addition to the Business Administration Building completed in 1988.

- *A \$9.1 million addition to the Fine Arts Building scheduled to get underway in the next few years.

- *Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatzel halls.

University Finances

- *Growth in the University endowment

from \$1 million in 1982 to more than \$8 million in 1988.

- *Creation of an internal endowment fund of \$4 million from various University reserves. The balance is approaching \$7 million and is expected to reach \$10 million in four years. Interest on the \$10 million principle will be used to supplement the academic budget.

- *Developing a plan that restructures debt obligations and is projected to result in a \$35 million principal in 12 years. Interest on that amount, which could approach \$3 million annually, will go toward the academic budget.

- *Most successful fund raising drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than \$15 million in three years; well above the \$12.5 million goal. Donations included the University's first two \$1 million gifts—from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perrysburg for the McMaster Leadership Institute.

Soaring Falcons!

Bowling Green Is A 1980s Success Story

When, in the year 2000, historians look back upon 85 years of intercollegiate athletics at Bowling Green State University, they'll stop and take a second look at the 1980s. Bowling Green sports teams of the 80s have achieved a level of success matched by few.

In all, Bowling Green teams have won 21 conference titles the last eight years, 17 in the Mid-American Conference and four in the Central Collegiate Hockey Association. Sixteen teams have gone on to post-season play in the NCAA, NIT and California Bowl.

Bowling Green student-athletes distinguished themselves in numerous ways in 1987-88. MAC champions were crowned in women's basketball and softball. The Falcon hockey team added to the BGSU honor roll by capturing the CCHA Playoff title. The volleyball team set a school record for winning percentage in a season. In the end, Bowling Green laid claim to the Jacoby Trophy, awarded annually to the MAC school with the best overall record in women's sports. BG also produced four Academic All-Americans in football, volleyball, men's basketball, and hockey — an uncommon distinction for any MAC school in just one year.

Each of the 19 sports at Bowling Green has enjoyed success in the 1980s. Here is a brief look at the "Winning Tradition" of the Bowling Green Falcons.

BASEBALL — Coach Ed Platzer's Falcons are annual contenders for the MAC Championship. Playing at Steller Field, one of the finest college baseball facilities in the region, the Falcons are a MAC leader in producing future professional ballplayers. Roger McDowell helped pitch the New York Mets to the World Series Championship in 1986, while Orel Hershiser is a stand-out pitcher for the Los Angeles Dodgers.

MEN'S BASKETBALL — Coach Jim Laranaga has built a solid foundation that

1988 MAC Basketball Champions

1988 MAC Softball Champions

1988 CCHA Playoff Champions

should produce a MAC championship contender in 1988-89. Two strong recruiting classes and an exciting up-tempo brand of basketball have made Anderson Arena once again "The House That Roars." BGSU is one of six MAC teams which have qualified for the MAC Tournament the last two years. Historically, BGSU leads the MAC in post-season appearances and victories.

WOMEN'S BASKETBALL — Coach Fran Voll has led the Falcons to a pair of MAC Championships and NCAA Tournament appearances the last two years, as well as an overall record of 51-8. Voll coaches some of the best players in the conference, like two-time MAC MVP Jackie Motycka. With Motycka and four other starters back in 1988-89, the Falcons will be an early favorite to repeat as MAC Champions.

CROSS COUNTRY — Bowling Green cross country in the 1980s has been marked by a changing of the guard, as highly-respected Mel Brodt handed over the coaching duties to Sid Sink. Sink, a former track and cross country All-American at BGSU, has coached the

BG women to four CC titles in eight years. Now, he's out working his magic on both the Falcon men and women.

FOOTBALL — Bowling Green is the MAC's winningest team of the 1980s with a first- or second-place finish the last six years. The Falcons have won two MAC titles and made two trips to the California Bowl since 1980. BG also holds the MAC single-game attendance record of 33,527 at Doyt Perry Field. Coach Moe Ankney has guided the Falcons to two-straight second-place finishes. Taking the next step to the top is the goal for 1988.

GOLF — Coach Greg Nye's men's and women's golf teams play on some of the most challenging courses in the country. The BG men travel to Florida and the Carolinas. BG has won four MAC Championships and made four NCAA Tournament appearances in the last 18 years. The Falcon women are one of this region's top teams. Last fall, the Falcon women won the BGSU Invitational and contended for the Ferris State Invitational title.

GYMNASTICS — Year in and year out, Coach Charles Simpson fields a MAC title contender. With three MAC titles since 1980, Simpson's Falcons share the league lead in conference championships. The Falcons have qualified as a team for post-season competition four of the last five years. Last winter, Kim Trost was an individual qualifier for the NCAA Regionals. This year, BGSU will host the MAC Championships.

HOCKEY — National Champions! The year was 1984. The site, Lake Placid, NY, where Coach Jerry York's Falcons won the University's first NCAA Division I championship. It was Bowling Green's finest hour. BGSU has won four CCHA regular season championships and one league play-off title. In all, the Falcons have won seven conference titles and appeared in seven NCAA

(Continued on page 49)

Athletic Director Jack Gregory

Since his appointment seven years ago as athletic director, John C. (Jack) Gregory has set a standard of excellence designed to place Bowling Green State University on equal terms with today's elite intercollegiate athletic programs.

In his first six years at Bowling Green, Gregory has challenged his staff of administrators, coaches and classified workers to settle for nothing less than the very best. His challenge has resulted in some of the finest moments in the history of intercollegiate athletics at BGSU—moments such as:

- the 1984 NCAA Division I Ice Hockey Championship;

- 11 Mid-American Conference regular season championships in football, men's and women's basketball, softball, women's cross country, gymnastics, and men's golf;

- 2 California Bowl appearances;

- 2 MAC post-season tournament championships;

- 3 Central Collegiate Hockey Association regular season championships;

- 1 CCHA post-season tournament championship;

- 9 NCAA Tournament appearances in hockey, basketball, softball and gymnastics;

- and the 1987-88 Jacoby Trophy, awarded annually to the MAC school with the best overall record in women's sports.

Gregory came to Bowling Green during one of the most difficult periods in the school's 72 years of intercollegiate athletics, a time when BGSU and the MAC were fighting for NCAA Division 1-A status in football. Behind Gregory's leadership, the football program attained 1-A status, making the Falcons one of the front-runners in achieving that goal.

During his tenure here, BGSU has proven to be a marketing and promotions leader. Record crowds have attended Falcon football, hockey and women's basketball games. Crowds have swelled, too, in sports like soccer, volleyball, gymnastics and

softball. In 1983, 33,527 fans packed Doyt L. Perry Field to witness the annual college football classic between Bowling Green and Toledo. BGSU and MAC single game attendance marks fell that afternoon. Two years later, the Falcons drew a record 112,110 fans for the five home games, giving BGSU the second-largest average attendance (22,422) in MAC history. Last year, Bowling Green set still another MAC attendance record by playing in front of 84,574 fans at Penn State.

Sell-out crowds for BGSU hockey games are also a tradition, making game tickets the hottest item in town each winter.

With the growing interest in TV sports programming, Gregory has aggressively negotiated for live television coverage of BGSU sports events. Last year, Falcon football, basketball and hockey all attracted live

TV coverage. The 1988-89 year promises more of the same. Falcon football and basketball will be seen around the country as part of the MAC Game of the Week on Master Video Productions, while Falcon hockey will continue to play in front of a national TV audience as part of the CCHA Game of the Week on Pro-Am Sports.

Gregory, 60, has also been instrumental in the record-breaking development of the Falcon Club, the University's official athletic department booster club. Recent membership drives have encompassed the Toledo, Cleveland and west central Ohio areas, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that it compares favorably with any athletic support organization in the country.

Still, Gregory understands the integrity of college athletics depends on the continued emphasis of the "student" in student-athlete. In that regard, he appointed a director for academic and regulatory affairs in 1984, the first such appointment in the MAC. Today's student-athlete is offered every opportunity for a fulfilling educational experience at BGSU. Many student-athletes have earned academic honors, such as the 122 BGSU scholar-athletes with grade point averages of 3.0 or better in 1987-88. In just the last two years, seven BGSU scholar-athletes have been named Academic All-Americans, an uncommon distinction among MAC schools.

A 1952 graduate of East Stroudsburg State College and holder of a master's degree from Temple University, Gregory came to Bowling Green from Yale, where he served for four years as associate athletic director.

Gregory began his professional career in 1952 as a teacher and coach at William Penn High School in New Castle, Delaware, and later at P.S. Dupont High School in Wilmington, Delaware. In 1959, he returned to East Stroudsburg as head football coach and assistant professor of physical education. One of the most successful coaches in the school's history, Gregory was inducted into the East Stroudsburg Athletic Hall of Fame in October, 1983.

An assistant football coach at the U.S. Naval Academy for two years, Gregory was named head football coach at Villanova University in 1967. In 1969, he moved to the University of Rhode Island, where he served as head football coach for seven years. In his 25 years on the high school level and at East Stroudsburg, Villanova and Rhode Island, Gregory's teams compiled a record of 132-69, including four undefeated seasons and seven league championships. He was twice selected as NAIA Coach of the Year, twice selected as Pennsylvania Coach of the Year and was named NCAA District Coach of the Year.

He was lured away from coaching in 1976 by the Green Bay Packers of the National Football League and served in the personnel department for three years before moving on to Yale.

Jack and his wife, Peg, reside in Bowling Green and are the parents of two sons.

Tournaments. BGSU has produced some of college hockey's greatest names, including nine players who currently hold positions on NHL rosters.

SOCCER — Coach Gary Palmisano's Falcons have posted a winning record in all but one year of the 1980s. Last fall, BGSU showed a fine 12-5 record that included wins over Penn State and Cleveland State. The Falcon booters also captured the 1987 BGSU Soccer Cup for the second-straight year. BG players have earned All-America honors seven times, the most recent being Jon Felton last year.

SOFTBALL — Former Coach Gail Davenport saw five years of hard work pay handsome dividends in 1988, as the Falcons won the MAC Championship and hosted the NCAA Midwest Regionals. Davenport was also named MAC Coach of the Year. Spearheaded by senior centerfielder Amy Lienhardt, a first team All-American and a first team Academic All-American, the 1988 Falcons shattered a number of seasonal records for BGSU softball.

SWIMMING — Coach Brian Gordon, MAC Co-Coach of the Year in 1988, is back for his second year with the Falcon men and women. The Falcon women have made winning a habit in the 80s. It began with the 1981 MAC Championship and has continued with second-place finishes ever since. Last winter, the women hosted the MAC Championship at beautiful Cooper Pool, one of the midwest's top swimming

and diving facilities. The men's team has finished in the top five at the MAC meet the last four years.

TENNIS — Robert Keefe Courts have been the site of many top MAC tennis matches in the 1980s. And the Falcon tennis teams have benefitted from the fine facility. The men's team, guided ably by Bob Gill the last 20 years, will see Gene Orlando at the helm in 1989. The women's tennis program, under the tutelage of first-year Coach Sheila Chiricosta, showed signs of new life in 1988, as the Falcons recorded the most wins in a season since 1983.

TRACK & FIELD — Bowling Green was again represented at the NCAA Track and Field Championships, thanks to All-American discus thrower Beth Manson. Meanwhile, Coach Lee LaBadie guided the Falcon women to a second-place finish at the 1988 MAC Championship. Sid Sink and Tom Wright, co-head coaches of men's track, coached the Falcons to within seven points of fourth place at the MAC meet.

VOLLEYBALL — Coach Denise Van De Walle's Falcon volleyball team has entrenched itself as one of the top programs in the MAC. Last fall, Bowling Green carved out an overall record of 24-6, the highest winning percentage in school history, while posting a second-place finish in the MAC. Van De Walle, MAC Co-Coach of the Year, also guided her squad to a championship at the West Virginia Tournament.

Today's Halftime Show

1988 Falcon Marching Band

Fall has finally arrived at Bowling Green State University! The leaves are changing colors and falling from the trees while the temperature begins to fall as well . . . perfect weather for a football game!

To provide additional color and warmth to today's activities, there are two university bands in the stadium to entertain you. We warmly welcome the Youngstown State University Marching Band to Bowling Green and anticipate a spirited performance from them at halftime.

At halftime, the Falcon Marching Band brings a diverse program to the field. We begin with a medley of the more recognizable melodies by the composer Edvard Grieg. His piano concerto in A minor and "In the Hall of the Mountain King" comprise the band's opening selection.

As a complete departure from classical music, the band moves on to a more contemporary musical genre . . . the rap! From the movie "School Daze" and recorded by the artists "Eu," the band boogies to . . . "Da Butt!!"

The recently completed summer Olympics again highlighted the achievements and talents of the nation's athletes. As a by-product of these and earlier games, special musical themes have been composed to commemorate the Olympics. The Falcon Marching Band closes today's performance with a collage of Olympic themes appropriately entitled "Olympic Closer."

ATHLETIC PROMOTIONS

by Brad Browning
Director, Marketing & Promotions

Welcome to Doyt Perry Field and another afternoon of Falcon football.

Today has been denoted as "Student Appreciation Day," co-sponsored by the BGSU Athletic Department and the BG News. It is an attempt to show the BGSU students that they are indeed appreciated, and that their support is vital to the success of the Falcon athletic programs. Also, the BG Jaycees are here today collecting canned food items at each gate. The collection will be contributed to their Christmas Elves Program. A special thank you to Churchill's, Kroger's and those of you who have contributed to this worthy cause.

The 1988 Falcon football season has two home games remaining. Next week, the Miami Redskins will visit during the annual Parents' Day weekend. Kick-off is at 1:30. Also featured next week will be Varsity BG Day and a halftime salute to former coaching great, Doyt Perry. An exciting, fun-filled day indeed!

The final game, November 12 against Eastern Michigan, will kick-off at 12:30 p.m. This date has been designated as Blade Day and Group/Team Day. All youth organizations are invited to come to the game free, but must register no later than November 7 by calling 372-2401. Tickets for our two remaining games are on sale today at halftime at the white ticket booth located on the east side of the stadium. Tickets can also be purchased throughout the week during regular working hours at the Memorial Hall Ticket Office and all area ticket outlets. Groups are invited and special discounts are available!

This evening brings upon us another home Falcon sports season. That's right, at 7:30 p.m. the hockey team will face-off against the Ohio State Buckeyes. Next week the Falcon icers will be in home action Thursday and Friday evening against the Broncos of Western Michigan. They will also be in home action Halloween evening against Western Ontario.

Basketball practice for the men's and women's squads began a week ago and it won't be long before Anderson Arena, "The House That Roars," comes alive! On Tuesday, November 15, both teams will be in home exhibition action. At 5:30 the women will host the Mexican National team, followed by an 8:00 tip-off with the men playing Zadar-Yugoslavia. Ticket applications are now available at the Memorial Hall Ticket Office and most downtown Bowling Green stores, or by calling 372-2401.

I'll conclude by listing some upcoming home Falcon Athletic events and thanking you for your attendance at today's game.

THE NCAA AND YOU

NCAA NOTES

Q: Who is an "athletic representative?"

- A: ■ One who has made financial contributions to the athletic department (i.e., Falcon Club members).
■ One who has been asked by the athletic department, in the past, to assist in recruiting student-athletes.
■ One who has assisted or is assisting in providing benefits, such as providing job opportunities, to enrolled student-athletes.
■ One who is or has been involved in promoting the athletic program.
■ One who is a member of any agency or organization which is promoting the institution's intercollegiate athletics program (Varsity BG Club, etc).

Q: Once an individual has been identified as an "athletic representative," how long does he/she retain this identity?

A: Forever.

Q: Is Bowling Green State University responsible for the acts of athletic representatives and booster support groups?

A: Yes. Athletic representatives are governed by the same NCAA and University rules and regulations as those placed upon all institutional athletic staff members.

NCAA Stands Firm On Athletic Representatives

Dictionary-makers agree on the definition of representative. However, of late, the word has been interpreted differently at many colleges and universities across the United States.

To ensure that confusion does not reign, especially in the matter of recruiting prospective student-athletes, the National Collegiate Athletic Association has set hard-and-fast rules for: 1. Who athletic representatives are, and, 2. What they can and cannot do.

As of August 1, 1987, the NCAA has banned athletic representatives (see box to left) from any involvement in the

recruiting of prospective student-athletes. That involvement includes on- or off-campus contacts by 1. personal visit, 2. correspondence, or 3. telephone calls.

Bluntly, the answer to all questions regarding the involvement of athletic representatives in the recruiting process is an unequivocal "NO."

The new legislation does not prohibit "unavoidable incidental" contacts with prospects, their parents or friends. The contact would be "legal" provided that: 1. it is not pre-arranged by the representative or a member of the athletic department, 2. it is not made for the purpose of recruitment, and, 3. it is in the course of "normal civility."

Bowling Green intercollegiate Athletics urges all athletic representatives to comply with all NCAA regulations. If questions arise, please call the Bowling Green State University Athletic Department at (419) 372-2401.

DOYT L. PERRY FIELD

Bowling Green holds the MAC record for single-game attendance (33,527).

Doyt L. Perry Field, with its 30,000-plus seating capacity, is celebrating its 22nd year as the home of Bowling Green State University football.

Built in 1966 for approximately \$3 million as a replacement for the 43-year-old University Stadium, Perry Field had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Field holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Field for the annual BG-Toledo game, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out arch-rival Toledo at Perry Field in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,000, and average of 22,400.

Perry Field is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side just received a face-lift. This year, a new

physical fitness center/weight room opened its doors for all 19 inter-collegiate athletic teams to use.

Also situated on the west side of Perry Field are the Falcon Club offices and clubhouse, the academic affairs office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its ninth year of operation, the Stadium Club's 106 theater-type seats, which are all sold, provide loyal BGSU fans with one of the finest places to view a game in all of the midwest. The President's Box, located on top of the east side of the stadium, provides

luxury seating for President Paul J. Olscamp and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Field, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won more than 65 percent of their home games, compiling a 70-37-2 record in the 109 games played at Perry Field.

Bowling Green posted a 3-2 record at Perry Field last season. Over the last five seasons, Bowling Green is 25-5 in the friendly confines of Perry Field.

A multi-purpose facility, Perry Field has also hosted concerts, NFL exhibition games, and major soccer tournaments.

BGSU students are among the most vocal fans in the MAC.

DOYT L. PERRY FIELD

Perry Field is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, according to James Van Valkenburg, director of statistics for the NCAA, only two on the Division 1-A list are above that figure — Knute Rockne at .881 (Notre Dame) and Frank Leahy at .864 (Boston College and Notre Dame).

Perry, 78, is as popular as ever in Bowling Green. An avid golfer, he spends his winters with wife Loretta in Florida. Each summer, he entertains his friends and former players at a golf outing. Former players and coaches return for the "Falcons' Nest of Coaches" meeting.

Known for his well-organized practices and attention-to-detail meetings, Perry never stopped thinking of ways to succeed. He was a winner in football and as a high school basketball coach. His basketball teams were 161-35 over nine seasons and his high school track teams won 70 county titles in nine years.

WELCOME TO DOYT L. PERRY FIELD

• **Doyt L. Perry Field** celebrates its 23rd anniversary as the home of Falcon football this season. Widely-regarded as the finest facility in the Mid-American Conference in which to watch football, Perry Field seats 30,599.

• **Authorized personnel ONLY** are allowed on the field before, during or after the game. Your adherence to this policy is appreciated.

• **Emergency medical aid** is available from the ambulance crew in the northeast corner of the stadium. Services are provided courtesy of the Wood County Disaster Services Agency.

• **Field headquarters** for stadium game operations are located on the ground level of the east side of Perry Field. The telephone number is 372-2401.

• **First aid** is located on the east side of the stadium next to the equipment room. It is easily marked for emergency situations. Trained medical personnel are in attendance at all Bowling Green State University football games.

• **Lost and Found** is located at field headquarters (see above) during the game or at the Perry Field office of Ken Kavanagh, assistant athletic director, after the game. Kavanagh can be reached during weekday working hours at 372-2401.

• **Rest Rooms** are located on both the east and west sides of the stadium and can be found between ramps 2 and 4, 6 and 8, 1 and 3 and 5 and 7.

• **Telephones** are situated at frequent intervals on ground level on both the east or west sides of Perry Field.

• **Your cooperation** is requested in observing the rules and traditions of this University and of the state law that makes it illegal to bring or consume alcoholic beverages of any kind at an athletic event or to possess an open container of alcohol.

TICKET INFORMATION

Hotline: 372-2762

• **Reserved chair seats** for single games are \$8. Reserved bench seats on the east side of the stadium for one game are \$7. BGSU student general admission seats for one game are \$2. General admission seats for one game on the west side are \$4 for adults and \$3 for youths (high school age and younger). General admission seats in the north and south end zones are \$3.

• **Any group** of 15 or more people may purchase group reserved bench seats in a designated section on the east side in advance of game day for \$4 each, that's \$3 off a \$7 ticket. A group of 25 or more people may purchase general admission seats on the west side in advance of game day for \$2.

• **The Memorial Hall Ticket Office** is open from 9 a.m. to 11 a.m. each game day for ticket purchases. Advanced sale tickets for all remaining home games are on sale through halftime in the advanced sale ticket booth on the east side of the stadium.

• **Ticket outlets** for BGSU sporting events in Bowling Green are the Memorial Hall Ticket Office on campus; Falcon House, 123 S. Main St.; Kroger, 1096 N. Main St.; and the BG Chamber of Commerce, 163 N. Main St. In Findlay, B&G Drugs, 528 S. Main St. In Fostoria, Bill's Men and Boys' Wear, 118 S. They Put BGSU In The Driver's Seat

The Bowling Green State University Athletic Department recognizes and appreciates the efforts of the car dealers from Bowling Green, Continental, Findlay, Fremont, Maumee, and Toledo pictured on this page. The generosity of these people and their support of Falcon athletics enables BGSU coaches to be on the road to recruit student-athletes, scout opponents, and represent the University.

To make it on our team,
you have to hit the books
just as hard.

Our team is the GTE Academic All-America® Team as selected by the College Sports Information Directors of America (CoSIDA). And our recruiting standards are the toughest around.

Like any other team, we want to know how many passes you've completed. Or, the number of quarterbacks you've sacked. But we also want to know what your cumulative grade point average is. And it better be at least a 3.20.

Getting drafted by the GTE Academic All-America Team isn't easy. That's what makes it such an honor for those who do.
